Q: How can I vote at USC Health Sciences Campus?
A: This year, there are more ways to cast your ballot than ever:

VOTE IN-PERSON: While the safest option is to Vote by Mail or bring your ballot to one of the secure drop-off locations, L.A. County voters have 10 consecutive days and Election Day to vote in-person at ANY participating Vote Center. Vote Centers will be safe, secure, and follow all public health and safety guidelines. Registered voters can vote at any Vote Center in L.A. County. The Galen Center will be serving as a Vote Center and info on the Galen Center and parking are included here. To find your nearest Vote Center, go to plan.lavote.net.

VOTE BY MAIL: The safest way to cast your ballot is to Vote by Mail. All registered voters in LA County will be mailed a Vote by Mail ballot. All you have to do is fill out your ballot, mail it, and make sure it’s postmarked by Election Day. No postage is required! You can also complete your ballot and drop it off at any Vote Center in L.A. County. You can check the status of your ballot to confirm it was received and tallied through the Vote by Mail Status Tool at plan.lavote.net.
